The Ethan Allen Shopping Center is perfectly situated on North Avenue, the main traffic artery in the northern part of Burlington. This is the only shopping center serving this part of the city. Bordered by Lake Champlain on the west and the Winooski River on the east, the North End is considered a separate and distinct market segment accessible only by North Avenue; the entire North Avenue market is captive. Visibility and ingress/egress are excellent. **BUILD TO SUIT UP TO 8,000 SF ON TWO FLOORS**
