Session Proposal

We appreciate your interest in presenting one of the sessions at the 6th annual Vermont Development Conference. Please fill out the information below with details requested and forward by May 3 to vdc@whiteandburke.com. Please be aware that **proposals submitted after this date may not be considered.**

The VDC Committee will be refining the programming and will select and work with presenters leading up to the event to fully understand the content and develop the sessions. This may include tailoring your session proposal and will include speaker coaching and presentation requirements. Please keep in mind that these are intended to be valuable, content-packed time slots. These are *not* marketing sessions for presenters to a captive audience.
